Solid Gemstone Slabs (2 and 3cm)

All Gem Surfaces are offered in both 2cm and 3cm solid mosaic slabs. Sourced direct from our own mines, our solid mosaic slabs offer unmatched quality

**Granite-Backed Slabs**

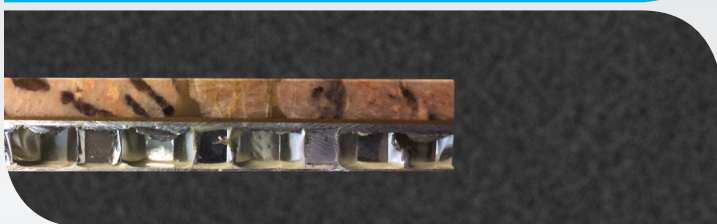

Granite backed slabs offer the choice of economy. With the proper edging (ex. miter edge) the granite backing is hidden. Granite backing is available in our current inventory in select stones. Please contact us for more information. (Left: 1cm petrified wood on 2cm granite)

**Translucent-Backed Slabs**

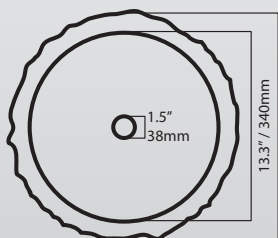

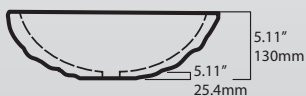

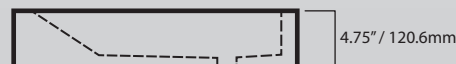

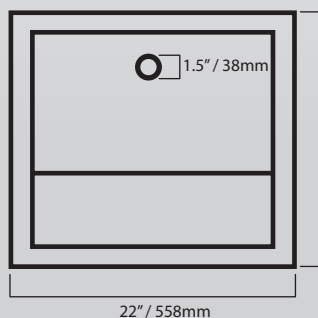

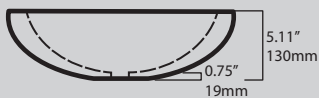

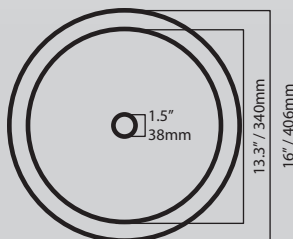

Available for several on our Gem Surfaces gemstone selections. With proper edging (ex. mitered edge) the resin backing is hidden. Ideal for backlit effect. Available in our current inventory. Please contact us for more information. (Right: agate gem layer 1cm on a 2cm engineered resin backing)

**Ultra Light-Weight Aluminum Backing**

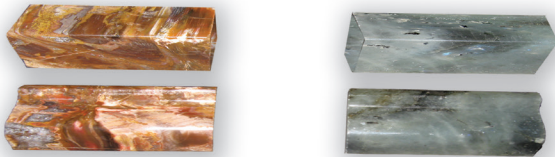

Offers 75% reduction in weight, ideal for walls, ceilings, yachts, airplanes, and elevators. Available in select options in current inventory. Please contact us for more information.

**Custom cut-to-fit**

Gem Surfaces was created through imagination and innovation and because of this we welcome and encourage custom designs.
